NGĀTI RUAPANI mai Waikaremoana

DEED OF MANDATE SUBMITTED JUNE 2019

MĀRIRI: Our Waikaremoana identity brings us healing RITENGA: We begin to renew our respect for each other KAHA: We are strengthened.

MANDATE TO NEGOTIATE A TREATY OF WAITANGI SETTLEMENT

This Deed of Mandate sets out how Ngāti Ruapani mai Waikaremoana Negotiating Group (Negotiating Group) has undertaken a robust process to demonstrate a strong level of confidence and support to represent ngā whanau in negotiations with the Crown for a durable, comprehensive and final settlement of all our historical Treaty of Waitangi Claims. The mandate that has been achieved by the Negotiating Group from ngā whanau o Waikaremoana was conducted in a fair, open and transparent manner with every effort given to respond to patai and to involve considered views into the design of the mandate process.

This Deed of Mandate is organised by the following sections:

- 1. The Purpose of this Deed
- 2. Preliminary Stages
- 3. Conducting the Mandating Process
- 4. The Results of the Mandate

1. THE PURPOSE OF THIS DEED

The Ngāti Ruapani mai Waikaremoana Negotiating Group on behalf of the tribal claimant community situated in and around the Lake Waikaremoana district seek to enter into direct settlement negotiations for the comprehensive and final settlement of all Ngāti Ruapani's historical Treaty of Waitangi claims. We seek to settle all the historical Treaty of Waitangi claims of Ngāti Ruapani whether registered or not registered that relate to Crown actions prior to 21 September 1992 and including all claimant interests and claims which relate to lakes, rivers, waterways, native forest, lands, wāhi tapu, wāhi tipuna, historical raupatu, commercial and cultural redress.

Large Natural Grouping

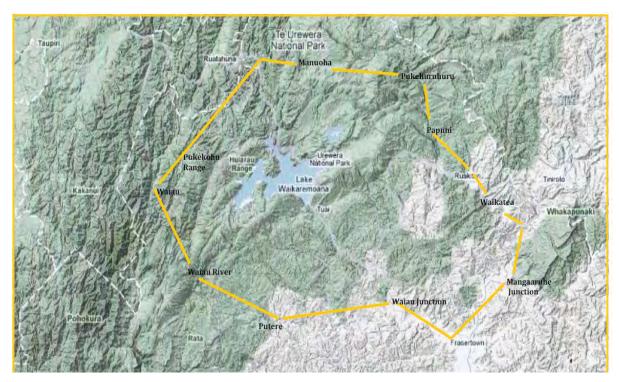

During the previous settlement processes the Crown wrote to various parties to advise that it considered Ngāti Ruapani mai Waikaremoana a large natural grouping for settlement negotiations with the Crown by letter dated 13 August 2009. A copy of that correspondence is at *Appendix 1*.

Description of Ngāti Ruapani mai Waikaremoana

Ngāti Ruapani mai Waikaremoana means the collective group composed of individuals who descend from Ruapani and one or more of his descendants: Hinekura, Pukehore or Tuwai

Proposed Area of Interest for Negotiations

The Area of Interest of the Ngāti Ruapani mai Waikaremoanais depicted in the following:

In the proposed area of interest are several important water bodies, mountain ranges, hydro scheme, crown licensed forest, conservation lands and school properties. The area is overlapped by a number of other tribal groupings. The total area of interest is approximately 100,000 acres.

Marae Affiliations

The whanau and marae that are affiliated to Ngāti Ruapani mai Waikaremoana and located within the area of interest are listed below. In addition, a list of whanau and marae noted.

Affiliated Whanau	Affiliated Marae	Location
Hinekura	Te Kuha	Tuai, Waikaremoana
Pukehore	Te Waimako	Tuai, Waikaremoana
Tuwai	Te Kuha, Te Waimako	Tuai, Waikaremoana
Hinekura, Pukehore, Tuwai	Te Putere	Putere

Large and Distinct

The whanau of Ngāti Ruapani mai Waikaremoana share historical alliances, whakapapa and contemporary relationships for Resource Management purposes. While the Ngāti Ruapani mai Waikaremoana uri are not a part of census data per se, we estimate a likely population of 6000 adult members. The number of people on the Negotiating Group's Voting Register is 1,654.

The Negotiating Group intends to build a membership register throughout the negotiations process. A register policy – outlining the access to registration, the safe-handling of private information and verifying practices will be agreed by the Negotiating Group.

Supported by the Waikaremoana Tribal Authority we will work to undertake succession research around the Waikaremoana reserves and other land blocks to identify whanau who may be interested in either actively or passively participating in the negotiations process. A strategy will be developed to ensure a high participation rate occurs in the ratification process.

The whakapapa committee will be convened to verify the whakapapa of those that want to register as members of the Negotiating Group.

The whakapapa committee will also be active in supporting strategies to locate and communicate negotiation issues with whanau who are spread around the motu. Regular hui will be established in regional communities to help raise the profile of the negotiations such that whanau can be involved.

Currently, all whanau can register online; there are 'pop-up' tables that are held on a as needs basis, these have been held in Wairoa and people can enrol in person at the Waikaremoana Tribal office. All members of the Voting Register will be given the opportunity to withdraw from the Register as it transfers to becoming a Members Register.

Overlapping Interests

The Negotiating Group acknowledge that the proposed settlement area of interest overlaps and is shared with other neighbouring tribal groups.

- Northern: Tūhoe
- Western: Tuhoe, some connection with Ngāti Hineuru and Tuwharetoa.
- Eastern: Kahungunu Te iwi and hapu o te rohe o Te Wairoa, and potentially some connection with Te Whanau a Kai, Aitangā a Mahaki, Rongowhakaata.
- Southern: Ngāti Pahauwera

The Negotiating Group has implemented a formal consultation process with these neighbours to keep the overlapping parties informed about the negotiations with the Crown. The Negotiating Group has met with and gained the support of its Northern and Western neighbours a significant milestone from previous efforts, as well support from the Turanga Iwi on the Eastern side. The Negotiating Group will continue its approach to maintain that support and to formalise support from the remaining neighbours (see the Risk Management Report at *Appendix 2*).

2. THE PRELIMINARY STAGES

Mandated Body and its Representatives

In 2018 the Negotiating Group was established to represent Ngāti Ruapani mai Waikaremoana whanau in settlement negotiations with the Crown. After a series of information hui around the motu in 8 locations and broadcasting information and responses to queries via social media it was agreed on 30 March 2018 to formalise the collective as a legal entity for settlement negotiation purposes. The Ngāti Ruapani mai Waikaremoana Negotiating Group was incorporated as a Charitable Trust 1 May 2018. The mandated body has 6 representative seats which makes up the Board.

The Negotiating Group and its representatives are seeking the mandate to negotiate an initialled Deed of Settlement that would need to be formally supported by the claimant community through a robust ratification process. The initial Representatives to the Negotiating Group are as follows:

Trustee	Waikaremoana Marae	Position
Te Ori Paki	Waimako	Chair/Convenor
Tina Wagner	Waimako	Trustee
Neuton Lambert	Te Kuha	Trustee
Nikki Kirikiri	Te Kuha	Trustee
Ihakara Dentice	Uri member – Independent	Trustee
Malcolm Tuahine (recently	Uri member – Independent	Trustee
deceased)		

Claimant Funding will be applied for from both Te Arawhiti and CFRT. A separate bank account will be opened to hold these accounts. These accounts will be managed transparently matching funds with payments incurred solely for the management of the negotiations process. A finance policy guiding the transparency of budgeting and spending and ensuring that compliance reporting is well maintained will be approved by the Negotiating Group.

Mandated Body and its Accountabilities

The accountabilities set out the open and transparent processes that the Negotiating Group and its representatives will adhere to, throughout the settlement negotiations. The role and responsibilities of the Negotiating Group and its representatives include the decision making process, reporting and communication procedures, disputes and mediation processes, registration processes, provisions to amend the Deed of Mandate, processes for tribal representative(s) and member group(s) to be replaced, removed and appointed. Included are the accountability processes and purpose of the Negotiators.

Disputes

If member(s) of the claimant community have concerns about or disputes with the Negotiating Group in relation to mandate, negotiations or settlement, their respective marae representatives on the Negotiating Group will make themselves available to discuss the concern in good faith. If discussion does not resolve the concern, the relevant member(s) of the claimant community may submit their concern in writing to the Negotiating Group. The Negotiating Group will take all reasonable steps and act in good faith to resolve the concern or dispute raised. The Negotiating Group will provide a written reply to the concern or dispute within 10 working days and, if appropriate, offer to meet with the relevant member(s) of the claimant community.

Withdrawal or amendment of mandate

This provision only applies where member(s) of the claimant community have concerns in relation to mandate, negotiations or settlement that they have attempted in good faith to resolve in accordance with the dispute resolution process set out in this deed of mandate. If they feel their concerns were not adequately addressed or resolved through the dispute resolution process and they wish to amend the deed of mandate or withdraw it from the Negotiating Group, they must, through the relevant marae tikangā and or marae charter, obtain the support of their marae to amend or withdraw the mandate. The Marae Trustees must then obtain formal resolutions of support from the other two marae through their Marae Trustees, according to their marae tikangā and or marae charters of those marae, to amend or withdraw the mandate.

Written notice of the proposal to withdraw or amend the mandate must be provided to the Negotiating Group. The written notice must:

- identify the processes followed at each of the three Ngāti Ruapani mai Waikaremoana marae to obtain support for amending or withdrawing the mandate;
- identify the level of support for amending or withdrawing the mandate in each of the three Ngāti Ruapani mai Waikaremoana marae;
- name a contact person at each of the three Ngāti Ruapani mai Waikaremoana marae who is in support of amending or withdrawing the mandate; and
- identify the relevant concerns.

On receipt of the written notice, the Negotiating Group will arrange for a meeting to be convened, within 10 working days of the date of the written notice, between the representatives in the named notice and the Negotiating Group. If this meeting does not resolve the identified concerns, the Negotiating Group will discuss the proposal to withdraw or amend the mandate with Te Arawhiti – the Office for Māori Crown Relations. If required, the Deed of Mandate may be amended to address the concerns identified.

Risk Management

The mandated body and its representatives have developed a risk management process to identify and manage any potential issues to the mandate and negotiations. The document discusses the areas which have been identified posing some degree of risk to achieving a durable Treaty settlement such as overlapping interests (see the Risk Management Report at *Appendix 2* for further details).

Meeting Procedures

The Negotiating Group and its representatives will meet on a monthly basis to discuss, coordinate and manage the settlement negotiation process. The quorum to convene a meeting is a simple majority of the Trustees and the Trustees are empowered to regulate their meetings as they think fit. The Chair or any two Trustees may at any time summon a meeting giving 7 days' notice unless this time period is legitimately waived ie by resolution of the Trustees. Further meeting procedure is outlined in Schedule 2 of the Trust Deed – *Appendix 3* – *Trust Deed*.

Decision Making Process

The Negotiating Group and its representatives will aim to make decisions by consensus. Where there are occasions that the Trustees cannot reach amicable agreement, a simple majority may be adopted. The Trustees will be held accountable and need to demonstrate the efforts that were taken to reach a

consensus view, such as contemplated and or sort the wider involvement of marae whanau to help broaden perspectives or shift personality issues.

Reporting Process

The Negotiating Group and its representatives will present a formal annual report, each calendar year at a publicly notified AGM. Included in the AGM will be a Negotiators Progress report explaining the status of the negotiations, settlement aspirations and goals; key issues arising and timeframes. In addition, the Negotiating Group and its representatives will report to the claimant community every 3 months by way of hui a marae. An overview of reporting process follows:

- Hui a Tau based in Waikaremoana.
- Annual Hui a Tau rotating between to Christchurch, Tamaki, Gisborne, Hastings, Rotorua, Taneatua and Poneke.
- Quarterly Marae Hui.
- 2 Yearly Community Hui in Waikaremoana.
- Website and social media platforms for immediate updates.
- Monthly reporting to the Waikaremoana Tribal Authority.

Communication Strategy

The Negotiating Group and its representatives will implement a communication strategy that aims to inform the claimant community about the progress in settlement negotiations, profiles on the mandated representatives and the negotiators, important matters for their consideration regarding negotiation milestones, brief summaries of the histories of Waikaremoana whanau and hapū and the Treaty of Waitangi breaches and grievances. For example:

- Hui a Iwi
- Wananga on relevant negotiation topics (including on settlement aspirations and potential postsettlement governance entity structure)
- Rangatahi perspectives on negotiation topics
- Panui publications, infographics and notices.
- Website and social media to invigorate feedback loops on negotiation topics.
- Hui and updates on shared rohe and kinship connections with other tribal kin

The Negotiator(s)

The negotiator(s) will be accountable to the Negotiating Group and its representatives throughout settlement negotiations The Negotiating Group by unanimous decision will appoint the negotiator(s). If the Negotiating Group is unable to appoint by unanimous decision then a majority decision of 75% is required. The same process will apply for the removal of the negotiator(s).

The Negotiating Group will develop a profile of the preferred negotiator(s) who will be chosen on the basis of their experience in negotiation, their reputation for integrity, their reputation for their commitment and care for the people of Ngāti Ruapani mai Waikaremoana, their availability to deliver justice to the role, their knowledge of the raupatu issues and a proven track record of building relationships with superb communication abilities.

The negotiator will be bound by a Terms of Reference approved by the Negotiating Group. The Terms will set out the mandate of the negotiator and these will be reaffirmed in the contractual arrangement.

The negotiator(s) will make decisions by consensus and will ensure that all key decisions are endorsed by the Negotiating Group and its representatives. The negotiator(s) will have a direct and regular working relationship with the Chair/Convenor of the Negotiating Group, so that the Chair/Convenor can help

judge what issues are shared with the Negotiating Group and also that timely endorsement needs may be managed. Formally, the negotiator(s) will meet on a monthly basis and will report directly to the Negotiating Group and its representatives every month. The negotiator(s) will also regularly attend information hui for the claimant community.

Appointment and replacement of Negotiating Group Representatives

Individual Representatives

The following outlines the way in which the appointment and replacement of representatives to the Negotiating Group will occur. For example, if a representative wishes to resign, then the following replacement process will apply.

Te Waimako (3) or Te Kuha (3) representatives - (6 representatives)

- The representative will advise both their marae appointer and the Negotiating Group of their decision to resign.
- The marae will undertake a nomination process giving notice (a minimum of 21 days advertised notice and information by social media) of the required appointment to their whanau community.
- The marae will conduct a selection process in accordance with the tikanga of the marae and advise the Negotiating Group of their preferred candidate.
- The Negotiating Group will endorse the appointment by way of resolution of the Trustees. The Negotiating Group may only decline the appointment if some proven impropriety in the process or where there is evidence of the candidate being ineligible to be a Trustee.
- The Negotiating Group will update the companies register, website and prepare profile materials to help advise the claimant community of the new Trustee as per the communications strategy.
- The Negotiating Group updates the Deed of Mandate to reflect the change of Trustee, and the hui minutes are added to the Deed of Mandate as supporting material.
- The term of trustees will be 5 years and Trustees will be eligible to stand for re-election
- A Trustee may be removed from the Negotiating Group where both the marae and the Negotiating Group agree. The need to manage a consistent and durable settlement process for all of Waikaremoana whanau is paramount, however if the both the representative quality of the marae and the consistency needs of the settlement are best effected through the removal of the Trustee, then the approval of both parties are required.

Authority to update or amend the Deed of Mandate

The Negotiating Group and its representatives will have the authority to update the Deed of Mandate on matters of a minor or technical matter such as a change of representatives or updating Wai claimant information.

Any substantive changes to the Deed of Mandate that would affect the underlying principles of transparency, accountability or the nature of the mandate will require the approval of the claimant community at a properly advertised hui a marae.

The Negotiating Group will meet with the Crown on any changes of a significant nature that could affect the large natural group status of the mandated collective. The Crown may also need to consider the impact of Deed of Mandate changes on recognition of the mandate

3. CONDUCTING THE MANDATING PROCESS

The Mandate Hui Programme

The location of the mandate hui was determined by areas where there were sizable populations of whanau within the claimant community. Hui were held at times that were enabling of attendance ie after work, to help ensure a maximum number of attendance. Mandate information and voting hui (*Hui Notices – Appendix 4*) were held in Auckland, Rotorua, Taneatua, Gisborne, Hastings, Poneke, Christchurch and Waikaremoana where whanau could rigorously debate the approach; the leadership required, the concerns of whanau and difficulties to ensuring strong lines of communication bringing integrity to understanding the onslaught of information to be tackled by the claimant community throughout the settlement negotiations process.

The merits of the need for further mandate confidence may be discussed between the Crown and the Negotiating Group, where any such need may be tested and verified. This may result in further mandate hui occurring.

Mandate Hui Purpose

The purpose of the mandate hui was for the Negotiating Group and its representatives to explain and present the mandate proposal that the Negotiating Group is proposing to represent Ngāti Ruapani mai Waikaremoana in settlement negotiations with the Crown for the comprehensive and final settlement of all Ngāti Ruapani mai Waikaremoana historical Treaty claims.

Mandate Hui Presentation

At each mandate hui the representatives delivered a standardised presentation (*Presentation – Appendix 5*) which explained:

- The Purpose of the Hui
- Why a Mandate and Why Now
- Sharing How Whanau Input has Improved the Mandate Strategy
- Who is the Negotiating Group?
- Who is Ngāti Ruapani mai Waikaremoana
- Some Key Need to Know Kaupapa about Settlement
- Crown and Waitangi Tribunal claims information
- The Negotiating Group's Structure and Accountability mechanisms
- The Mandate Process
- A Summary of the Historical Claims
- The Rohe
- The Resolution to be Voted on.

Mandate Hui Discussion

Each hui provided the opportunity for attendees to discuss and debate the mandate and negotiations proposal and to vote on it (*Minutes of Hui – Appendix 4*). The process undertaken was fair, open and transparent and included:

• Why the need for a mandate now, given previous efforts to achieve a mandate had failed.

- A key change involving the marae as the basis of representation and therefore lead drivers of the process. Previously legal entities had held this leadership mantle creating a disconnect with whanau and marae.
- Clarification that the register was a voting register and not currently a membership register. A membership register is something that would be established post mandate.
- Relief to see Tuhoe support for some and a concern for wider Tuhoe influence by others.

Mandate Hui Voting Process

Ngāti Ruapani mai Waikaremoana members who were 18yrs and older were eligible to vote at the mandate hui. Attendance registers were available at every hui, these were checked and are attached at *Appendix 7*:

- Voting on the resolution took place by written secret ballot, conducted independently by Electionz;
- Votes were secured by an Electionz staff member who oversaw and maintained the ballot box this included taking and holding all voting papers.
- The count of the votes being undertaken by Electionz at the completion of all of the 8 hui.

Resolution to Mandate the Negotiating Group

This hui gives the Ngāti Ruapani mai Waikaremoana Negotiating Group the mandate to represent Ngāti Ruapani mai Waikaremoana in negotiations with the Crown for the comprehensive settlement of all the historical Treaty claims of Ngāti Ruapani mai Waikaremoana.

17. Power of amendment

- 17.1 Subject to any relevant legislation for the time being in force relating to charitable trusts, the Trustees have power by deed:
 - (a) to amend, revoke or add to any of the provisions of this Deed unless to do so would amend, revoke or add to the Objects or would enable a payment or application of any part of the Trust Fund in a manner that is inconsistent with the Objects; and
 - (b) notwithstanding paragraph (a) of this Clause, to amend, revoke or add to the Trust Deed including the Objects if and to the extent that it is necessary to do so for the Trust to qualify as a charitable trust under the Income Tax Act 2007 or the Charities Act 2005.

	Explains Tuhoe ki Waitaha support for the mandate on the basis of ensuring that our Ruapani side is collaborating with and being supported by Tuhoe. Ruapani is a hapu of Tuhoe and it is right for Tuhoe to support this. That is what we wanted to see through Te Kotahi a Tuhoe, that is why we supported a separate process to encourage our Ruapani kin who were opposing at the time to show our Tuhoe care for them. I am happy to see this progress, to have lived to see this progress, I am happy to see Ngati Ruapani mai Waikaremoana mandate. Tuhoe ki Waitaha acknowledge the struggles in Waikaremoaana and therefore hope for a better future for the	Karakia:

	There were a number of comments and several patai. Sister (Benita Cairns) – wanting clarity on how Ruapani needs will be preserved, not opposing Tuhoe side, but wanting transparency on how Ngati Ruapani needs will be managed. The response intended to convey assurance, was that the group were marae people, known people enabling an ease of accessing and contacting that manai to raise concerns to, that the people who would be leading the process were people on the ground and knowing the needs and aspirations of whanau belonging to our marae communities. That if a successful mandate is achieved, the Negotiating Group understand that that is a true privilege and will leave themselves open to the challenge of whanau wanting to hold them to account for their commitment to the kaupapa.		
	Sharon Cooper questioned how her whanau names were included on the rehita. The response was that the register was shared by the Waikaremoana Tribal Authority of contact details (no whakapapa) of members who had participated in Waimako,

Negotiating Group

Seeking the Mandate to Represent Us in Treaty Settlement Negotiations

The Key Issues for our Voting Hui

- Why a Mandate and Why Now?
- The Purpose of these Voting Hui
- Sharing how Your Input has improved the Mandate Strategy
- Who is the Negotiating Group?
- Who is Ngāti Ruapani mai Waikaremoana?
- Some Key Need to Know Kaupapa about Settlement
- Crown and Waitangi Tribunal claims info
- Our Structure and Accountability
- The mandate process
- Your Pātai
- Introducing Electionz How the Voting will work
- The Resolution and Voting

Why Now?

- Need to avoid growing and developing apart.
- Relationships identity confusion unhelpful.
- Waikaremoana is opportunity rich but community constrained.
- Demand to end the failures so that certainty can grow.
- A mandate demands work on the future needs of the whole Waikaremoana community.

Purpose of these Hui is...

To determine whether the Ngāti Ruapani mai Waikaremoana Negotiating Group should hold the mandate to negotiate on your behalf for the settlement of our historical grievances against the Crown.

We have heard a lot and have made a number of improvements to the Mandate Strategy

For Example

- We committed to principles we believe will lead to the easing of disagreement
- The tipuna Ruapani is now more visible.
- Our Te Putere whānau are to be included in any settlement outcome
- Future appointments to the Negotiating Group will be clarified prior to any mandate decision.
- The Tuhoe involvement is a kinship and supportive involvement that is welcomed.
- Voting processes for a mandate decision are now being conducted wholly independently.

Who is the Negotiating Group?

- 2 x Te Kūhā elected representatives
 - Nicky Kirikiri and Neuton Lambert
- 2 x **Te Waimako** elected representatives
 - Tina Wagner and Te Ori Paki (convenor)
- 2 x Independents who must be uri were selected by the Working Group:
 - 1 x Te Toi Kura o Waikaremoana representative (the prior mandate group body – for continuity value) Kara Puketapu-Dentice
 - 1 x Waikaremoana Tribal Authority representative Malcolm Tuahine

Why the Need for a New Group?

- Previous Groups had not secured a wide enough level of support to achieve a mandate. The Crown encouraged Te Toi Kura and Te Tatau to work together and with all parties.
- A united way forward was not found.
- Later in 2016, the Waikaremoana Tribal and Te Toi did manage to work together and formed a working group which eventually led to submitting a mandate strategy.
- We then held Information hui around the motu and that lead to an improved mandate strategy.
- That mandate strategy was agreed by the Crown.
- Attempts have been made and continue to be made with Te Tatau; Ngāti Ruapani ki Waikaremoana Ltd; Te Whakamana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MĀRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani ki Waikaremoana Iwi Tribal Authority MāRIRI: Our Waikaremoana Kotahi o Ngāti Ruapani Ki Waikaremoana Iwi Tribal Authority Ki Katahi o Ngāti Ku Katahi o Ngāti Ki Katahi o Ngāti Ku Katahi o Ngāt

KAHA: We are strengthened.

Who will the Negotiating Group Represent?

Ngāti Ruapani mai Waikaremoana are the descendants of Ruapani represented through the Poutokomanawa o nga marae o Ngāti Ruapani mai Waikaremoana:

- Hinekura;
- Pukehore; or
- Tūwai a
- and insofar as these descendants affiliate to one or all of the marae o Ngāti Ruapani mai Waikaremoana.

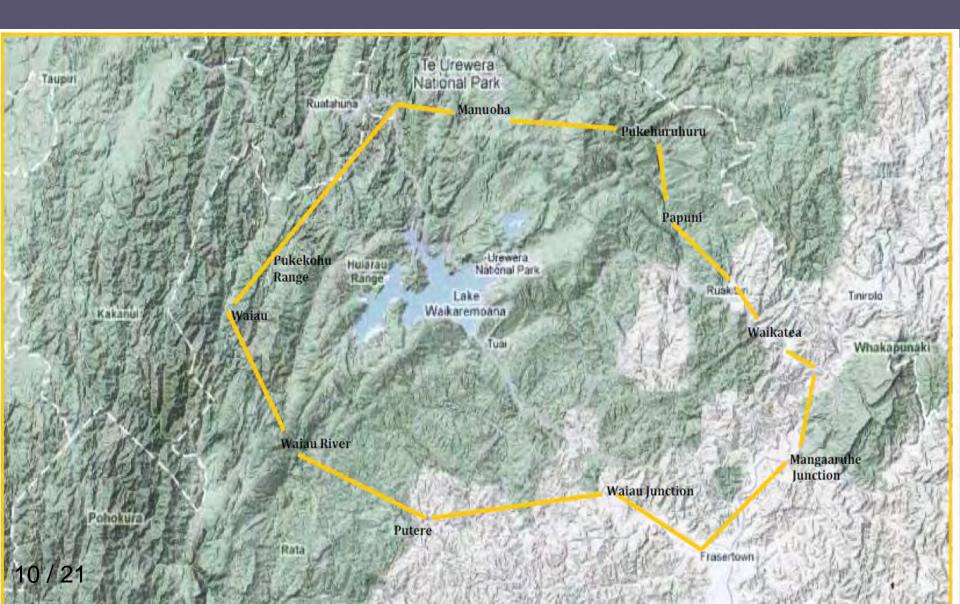

The Ngāti Ruapani mai Waikaremoana Negotiating Group will represent all descendants of Ngāti Ruapani mai Waikaremoana

And so, who is included in this?

The Negotiating Group is seeking a mandate to represent the Settlement issues of the whānau of:

- Hinekura, Pukehore and or Tūwai.
- Connected to Te Kūhā, Te Waimako and Te Pūtere Marae.
- And including 144, 937, 945, 1033,1342, 1013, 2245 wai claims.

And in this general rohe...

Some Need to Know Kaupapa

Aim: To strengthen our hapori and grow.

- Removing this Crown process from Waikaremoana in a way that it is enabling of our revival.
- The Lake is not in negotiations, however the Group will work with the Tribal and Te Uru Taumatua for improved relationship and involvement.
- Settlement does not bring justice. We wish to remove the divisions, the ego's and the distrust that are impeding.
- Mariri: justice and peace is our responsibility and gift to ourselves.
- Ritenga: we begin to renew our respect for each other
- Kaha: we are strengthened

What does that mean in a Practical Sense?

- Repairing relationships and **not** treating them as overlapping interests.
- Settling crown-owned properties.
- Negotiating an apology and financial package as a form of resolution for harm done.
- Establishing a better balanced historical record.
- Negotiating how future governmental association will occur.

Crown settlement policy

The Crown's policy for Treaty of Waitangi settlements include:

- The Crown negotiates comprehensive Treaty settlements with Large Natural Groups. The Crown does not negotiate with individual Wai claimants.
- The Crown role is to recognise a mandate given to a representative body. To be recognised by the Crown as a mandated body the Negotiating Group needs to:
 - provide a claimant definition including **all** whanau and Wai claims;
 - be appropriately accountable to the Ngāti Ruapani whanau; and
 - carry out an open and transparent process to seek a mandate.
- This means **all** whānau and Wai claimants are included in the mandate sought from the Ngāti Ruapani mai Waikaremoana Negotiating Group.

Structure and Accountability

- The Negotiating Group is a Charitable Trust.
- Te Ori Paki is the Convenor, decision making is biased toward consensus, but will on more administrative matters opt for majority decision making.
- Representatives can be removed by an agreed process and then in the fair conduct of that process.
- We will do more work on how Trustees will be refreshed.

Structure and Accountability

- Negotiating Group will report back through:
 - Hui-ā-whānau, Hui-ā-hapū.
 - AGM
 - Ratifying the Aspirations before entering into an Agreement in Principle (AIP)
 - Marae meetings
 - Pānui/news-letters/website
 - Office drop ins in Tūai.
- The mandate can be removed through a similar process that was taken to gain the mandate including obtaining support from the marae in accordance with tikanga.
- The Negotiating Group will present an initialed Deed Of Settlement (DOS) to you, our whanau for your ratification.

The mandate process

- Hui begin from beginning December 2018: in Auckland, Rotorua, Tāneatua, Hastings, Gisborne, Pōneke, Christchurch, Waikaremoana
- By around mid February 2019: submit Deed of Mandate to Crown
- **By around late February 2019**: Public notification and letters to Wai claimants: submissions, views and enquiries invited
- The Negotiating Group responds to any issues raised in submissions by March 2019 to mid April 2019.
- Late May 2019 Ministers then make a decision whether to recognise a mandate given to a representative body.
